OAK PARK RENTAL PROGRAM

Every day, the Oak Park Regional Housing Center helps prospective renters make affirmative moves to improve and sustain racial integration in the Oak Park area. WEST COOK HOMEOWNERSHIP CENTER

The Oak Park Regional Housing Center works to ensure that people of all races and incomes have access to homeownership. Our services provide homeowners with knowledgeable advocacy in their attempts to save their dream of homeownership. We were awarded funds for low- and moderate-income households looking to attain homeownership. These funds can be used for down payment and closing cost assistance to lower the borrowed amount, making mortgages affordable for clients.

We promote equitable public policy by consulting with the US Department of Housing and Urban Development, Chicago Area Fair Housing Alliance, Chicago Metropolitan Agency for Planning, and West Cook County Housing Collaborative. In addition, we support local policy and encourage interjurisdictional collaboration in order to ensure integration in Oak Park and spreads throughout the region.
